### LUNCHEONS AND DINNERS.

A beautiful luncheon, supplemented by bridge, was given today at 1 o'clock by Mrs. A. J. Pullan, which was an announcement was made of the engagement of Miss Lillian Crawford to Rodney Westcott McCandless. No definite date has been set for the wedding, but it will occur early in November.

The Pullan home presented a charming appearance, with color scheme of yellow and white, carried out with quantities of chrysanthemums and daisies.

Miss Emma Smith, presiding at the piano, played the wedding march from Lohengrin as the guests entered the dining room. After the guests were seated, master Arthur Pullan, dressed in gold and white to represent Cupid, and carrying a bow and arrow, arrived with a message bearing the announcement of the engagement.

The handsomely polished table was spread with a lace cover over yellow satin, and a bride's slipper filled with yellow daisies formed the central decorative feature. Extending from the center to each cover were yellow and white ribbons, to one end of which were attached the place cards. Little bride's slippers holding cupid, and to the other, white hearts with the initials of the bride and groom elect in gold.

The dainty almond cups were of gold and white, and the ice courses, served in the form of hearts, was adorned with gold cupid, whose mints were also in yellow and white, and carried out the heart idea.

After the five course luncheon, bridge games were enjoyed, in which prizes were awarded those making the highest score. The honor guest was presented with an exquisite bracelet, in the form of a lily and set with pearls.

The hostess was assisted in entertaining by her sister, Miss Emma Smith. Other guests included: Misses Lillian Crawford, Rena Caldwell, Allison Hagge, Ethel Brown, Adeline Noake, Hattie Loretz, Loreta Brick, Kate Adams, Lucille Smith, Emma Smith, Meddames J. J. Crawford, Leon Miller, H. E. Christie.

Miss Theo Patterson entertained at a charmingly appointed dinner last evening in honor of Miss Eva Hunter and Edward P. Hunter, whose marriage will take place Wednesday evening at 8 o'clock at the First Presbyterian church.

The guests included only the members of the bridal party, Miss Hattie Mae Loretz, Walter Hunter, L. H. Leeman, Dr. B. F. Clutter and Ben Cowan.

The table was most alluring in its bridal decorations of white, relieved with touches of green, and supported by white satin ribbons were numbers of white wedding bells, the ribbons extending to the covers and holding at the other end place cards, bearing the pictures of the bride and groom.

Cut glass candelabra supported white candles, and the places for the bride and groom elect were marked by larger candles.

The food and cake were decorated in cupid, further emphasizing the decorative scheme.

On Saturday afternoon Mrs. J. B. Watson was the hostess at a delightful supper, given in honor of Mrs. Newcomb, of Canada, and Miss Emily Wing, of this city. The table was most attractive with its central decoration of red and white roses. In addition to the honor guests, those at the table were: Mrs. Henry Easter, Mrs. J. C. Newcomb, Mrs. George Newledge, Mrs. Edwards, Mrs. L. H. Tucker.

### UNIVERSITY SCHOLARSHIP CLUB IS FORMED FOR EL PASO

Object Is to Give Worthy Boys and Girls an Academic Education at a Small Cost to Citizens Individually.

A CLUB has been organized at the High school which has for its object the creation of two or more scholarships for the benefit of the El Paso High school girls and boys. The membership in the University Scholarship Club has been named, will consist of three groups. First there will be the student membership, consisting of the High school pupils themselves, but since the club has for its object the promotion of educational interest and the increase of educational advantages to the youth of El Paso, associate membership will be extended every man, woman and child who is sympathetic with the purpose of the club. A third group will consist of all men and women who are college or university graduates or who hold any professional degree. These will be called the graduate members.

Students, associates and graduate members differ only in name. Their duties and privileges are identical. Their duty consists in the payment of an annual fee or due of \$1 toward the scholarship fund. The dues paid by girls and women will form a scholarship fund for girls, and the dues paid by boys and men will create a scholarship fund for boys.

The privilege of membership consists in casting a vote each May for a member of the graduating class of the High school to whom the scholarship shall be given. This class includes the enrollment of the January and May graduates. Each girl or woman will cast her vote for a girl to receive the girl's scholarship, and each boy or man will vote for a boy to receive the boy's scholarship.

While the first object of the club will be given the privilege of choosing their own college or university from a list of the leading institutions of the United States. This list will be posted at the High school and published in The Herald in October. Since the club is for all denominations and people no denominational college will be listed.

The organization of the club is designed to be as simple as possible, to consume no time, to entail no work upon the members beyond paying their dues, casting their votes, and creating and spreading interest in the club throughout the city.

## Beautiful "Lily of France" Corsets

IN A high grade corset we recommend the "Lily of France." We have carried this corset only a few seasons, yet it has gained many friends. Many of our discerning customers always ask for a "Lily of France."

THE new fall models are now ready. The majority of the new models are the low bust or "topless" style. There is no question that these low corsets are more graceful and make the figure look more natural and not so "corseted."

WE HAVE the new models in beautiful broad as well as plain fabrics. If you are dissatisfied with your present corset, suppose you come and be fitted in a "Lily of France."
